Re: 2025 SoCal Employment & Resource Expo: “Tomorrow’s Electric Technology... Starting Today”

Dear Business Owner or Community Leader,

This October, the SoCal Employment & Resource Expo (SoCalJobExpo.com) will bring together students, job seekers, career changers, and veterans under one roof to explore the future of work, innovation, and opportunity. Hosted at the Ontario Convention Center on Friday, October 24, 2025, from 9:00 a.m. to 1:00 p.m., this event will connect people from across Southern California with employers, educators, training programs, and vital community resources.

We invite you to join us as a Sponsor of this exciting regional event. Your support will directly empower attendees by:

- Connecting **students** with pathways to internships, training, and careers in emerging industries.
- Guiding **job seekers** to meaningful employment opportunities and skill-building resources.
- Supporting **veterans** and their families as they transition into civilian careers.

Sponsorship not only promotes your brand but also positions your organization as a leader in shaping Southern California’s workforce of tomorrow. You’ll gain high-visibility recognition, opportunities to network with business and government leaders, and a chance to meet top talent from across Los Angeles, Orange, San Bernardino, and Riverside Counties.

We offer a range of sponsorship levels designed to highlight your organization’s commitment to community, workforce development, and innovation. Full details are available at: <https://SoCalJobExpo.org>.

Sincerely,

Don Lindgren
